INTENDED USE

This generation of linear direct fluorescent bare channel or batten fitting gives a new compact, low-profile design offering our customers unique product design which improve the overall installation process and appearance while reducing cost. Making it the most versatile solution for commercial, retail, manufacturing, warehouse and cove and display applications.

Designed to accommodate a wide variety of T5, T5HO lamp length.

CONSTRUCTION AND OPTICS

Compact designed channel and cover are formed from high quality cold-rolled steel. Locking cover tracks bolsters strength of the overall strip construction. High-gloss, baked white enamel finish and use with diakon diffuser.
