

# Luxtron STLA222 GEN 2

## DIMENSIONS

## INTENDED USE

The STLA222 Series LED luminaire provides uncompromising optical performance and outstanding versatility for a wide variety of area and compound lighting applications. Luxtron high power SMT LED engine technology delivers reliable uniform and energy-conscious illumination to walkways, parking lots, commercial and garden.

## CONSTRUCTION AND OPTICS

Heavy-duty cast aluminum housing with polyester powder coat paint for superior protection against fade and wear. Offered standard in 4000K & 5700K (+/- 275K) CCT and nominal 70 CRI.

LED drivers hard mounted to die-cast aluminum back casting for optimal heat sinking and operation efficiency. Thermal management incorporates both conduction and natural convection to transfer heat rapidly away from the LED source and retain optimal efficiency and light output.
